(5) Notwithstanding a finding of indicia under sub-regulation (1)(b), a Reporting Financial Institution is not required to treat an Account Holder as a resident of a Reportable Jurisdiction if—

16. (1) If none of the indicia listed in regulation 12 are discovered in the enhanced review of High Value Accounts described in regulation 13, and the account is not identified as held by a resident for tax purposes in a Reportable Jurisdiction in regulation (15), then further action is not required until there is a change in circumstances that results in one or more indicia being associated with the account.

(2) If any of the indicia listed in regulation 12(1)(b)(i-v) are discovered in the enhanced review of High Value Accounts described in regulation 13 or if there is a subsequent change in circumstances that results in one or more indicia being associated with the account, then the Reporting Financial Institution must treat the Account Holder as a resident for tax purposes of each Reportable Jurisdiction for which an indicium is identified unless it elects to apply regulation 12(5) and one of the exceptions in that regulation applies with respect to that account.

(4) If a Pre-existing Individual Account is not a High Value Account as of the 31st December, 2022, but becomes a High Value Account as of the 31st December, 2023 or the last day of a subsequent calendar year, the Reporting Financial Institution must complete the enhanced review procedures described in Regulations 13, 14, 15 and 16 with respect to such account within the calendar year following the year in which the account becomes a High Value Account and if based on this review such account is identified as a Reportable Account, the Reporting Financial Institution must report the required information about such account with respect to the year in which it is identified as a Reportable Account and subsequent years on an annual basis, unless the Account Holder ceases to be a Reportable Person.

(5) Once a Reporting Financial Institution applies the enhanced review procedures described in regulation 13, 14, 15 and 16 to a High Value Account, the Reporting Financial Institution is not required to re-apply such procedures, other than the relationship manager inquiry described in regulation 15, to the same High Value Account in any subsequent year unless the account is undocumented where the Reporting Financial Institution should re-apply them annually until such account ceases to be undocumented.

(6) If there is a change in circumstances with respect to a High Value Account that results in one or more indicia described in regulation 12(1)(b) being associated with the account, then the Reporting Financial Institution must treat the account as a Reportable Account with respect to each Reportable Jurisdiction for which an indicium is identified unless it elects to apply regulation 12(5) and one of the exceptions in that sub-regulation applies with respect to that account.

(7) A Reporting Financial Institution must implement procedures to ensure that a relationship manager identifies any change in circumstances of an account, including a change in the mailing address.

18. (1) With respect to New Individual Accounts, and upon account opening, the Reporting Financial Institution must obtain a self-certification, which may be part of the account opening documentation, that allows the Reporting Financial Institution to determine the Account Holder's residence(s) for tax purposes and confirm the reasonableness of such self-certification based on the information obtained by the Reporting Financial Institution in connection with the opening of the account, including any documentation collected pursuant to Anti-Money Laundering/Know Your Customer (AML/KYC) Procedures.

Applicable procedures in respect of New Individual Accounts.

(2) If the self-certification establishes that the Account Holder is resident for tax purposes in a Reportable Jurisdiction, the Reporting Financial Institution must treat the account as a Reportable Account and the self-certification must also include the Account Holder's TIN with respect to such Reportable Jurisdiction (subject to regulation 8(b)) and date of birth.

(3) If there is a change in circumstances with respect to a New Individual Account that causes the Reporting Financial Institution to know, or have reason to know, that the original self-certification is incorrect or unreliable, the Reporting Financial Institution must not rely on the original self-certification and must obtain either—

- (a) a valid self-certification that establishes the residence(s) for tax purposes of the Account Holder; or

 - (ii) if the information indicates that the Account Holder is a Reportable Person, the Reporting Financial Institution must treat the account as a Reportable Account unless it obtains a self-certification from the Account Holder, or reasonably determines based on information in its possession or that is publicly available, that the Account Holder is not a Reportable Person;
- (b) when determining the residence of the controlling persons of a passive NFE—
 - (i) with respect to an account holder of a pre-existing Entity Account (including an Entity that is a Reportable Person), the Reporting Financial Institution must determine whether the Account Holder is a Passive NFE with one or more Controlling Persons and determine the residence of such Controlling Persons;

Provided that in making these determinations the Reporting Financial Institution must follow the guidance in regulation 22 (1) ((a) – (d)) in the order most appropriate under the circumstances.

- (c) when determining whether the Account Holder is a Passive Non-Financial Entity (NFE), the Reporting Financial Institution must obtain a self-certification from the Account Holder to establish its status, unless it has information in its possession or that is publicly available, based on which it can reasonably determine that the Account Holder is an Active NFE or a Financial Institution other than an Investment Entity that is not a Participating Jurisdiction Financial Institution;
- (d) when determining the Controlling Persons of an Account Holder, a Reporting Financial Institution may rely on information collected and maintained pursuant to Anti-Money Laundering/Know Your Customer Procedures;

 - (ii) a self-certification from the Account Holder or such Controlling Person of the jurisdiction(s) in which the controlling person is resident for tax purposes.

(2) If a self-certification is required to be collected and is not obtained with respect to a Controlling Person of a Passive NFE, the Reporting Financial Institution must search for any of the indicia described in regulation 12(1)(b) in its records for such Controlling Person and if any of such indicia are discovered, or if there is a change in circumstances that results in one or more indicia being associated with the Controlling Person, it must treat the Controlling Person as resident for tax purposes of each Reportable Jurisdiction for which an indicium is identified.

(3) With respect to a Pre-existing Entity Account, Reporting Financial Institutions may use as Documentary Evidence any classification in the Reporting Financial Institution's records with respect to the Account Holder that was determined based on a standardised industry coding system recorded by the Reporting Financial Institution consistent with its normal business practices for purposes of AML/KYC Procedures or another regulatory purposes (other than for tax purposes) implemented by the Reporting Financial Institution prior to the date used to classify the Financial Account as a Pre-existing Account:

23. (1) Review of Pre-existing Entity Accounts—

- (a) with an aggregate account balance or value that exceeds USD 250 000 as of the 31st December, 2022, must be completed by the 31st December, 2023;

Timing of review and additional procedures applicable to Pre-existing Entity Accounts.

(2) If there is a change in circumstances with respect to a Pre-existing Entity Account that causes the Reporting Financial Institution to know, or have reason to know, that the self-certification or other documentation associated with an account is incorrect or unreliable, the Reporting Financial Institution must re-determine the status of the account in accordance with the following procedures by the later of the last day of the relevant calendar year, or 90 calendar days following the notice or discovery of the change in circumstances—

- (a) with respect to the determination whether the Account Holder is a Reportable Person, a Reporting Financial Institution must obtain either—
 - (i) a self-certification; or
 - (ii) a reasonable explanation and documentation (as appropriate) supporting the reasonableness of the original self-certification or documentation (and retain a copy or a notation of such explanation and documentation):

Provided that if the Reporting Financial Institution fails to either obtain a self-certification or confirm the reasonableness of the original self-certification or documentation, it must treat the Account Holder as a Reportable Person with respect to both jurisdictions;

- (b) with respect to the determination whether the Account Holder is a Financial Institution, Active NFE or Passive NFE, a Reporting Financial Institution must obtain additional documentation or a self-certification (as appropriate) to establish the status of the Account Holder as an Active NFE or Financial Institution and if the Reporting Financial Institution fails to do so, it must treat the Account Holder as a Passive NFE;

- (c) with respect to the determination whether the Controlling Person of a Passive NFE is a Reportable Person, a Reporting Financial Institution must obtain either—
- (i) a self-certification; or
 - (ii) a reasonable explanation and documentation (as appropriate) supporting the reasonableness of a previously collected self-certification or documentation (and retain a copy or a notation of such explanation and documentation):

Provided that if the Reporting Financial Institution fails to either obtain a self-certification or confirm the reasonableness of the previously collected self-certification or documentation, it must rely on the indicia described in regulation 13(1)(b) it has in its records for such Controlling Person to determine whether it is a Reportable Person.

(3) For purposes of this regulation, the provisions of regulation 25 applicable to Documentary Evidence shall apply to any other documentation relied upon pursuant to the procedures set forth in regulation 22.
